FROM THE PRESIDENT

A big thank you to Ulyss, Dan and Scott for putting together a wonderful music festival this year! There were so many joyful moments for me: it was fun sharing the children with their puppet dance to the music in the Bergonzi’s Children’s Concert. I heard how Scott would solicit just a few words to a performer in his Peak Performance class and there would be a transformation when the performer repeated his piece. And of course, the Bergonzi Trio to performances and our amazing Upstarts were a thrill.

It was great to see so many old and some new friends at this year’s performances. After the isolation caused by Covid and I suspect many others appreciate being able to share these concerts together. Indeed, we had some incredible audiences at some of our events including around 200 in the Bergonzi’s Children’s Concert in Marquette. We hope to continue to build our audience size through initiatives like our Pay As You Are Able ticketing and Pop-up Performances in future years.

We are now in our fourth decade of the Pine Mountain Music Festival. A lot happens behind the scenes to make our festival possible. If you would like to be part of the action, I would love to hear from you. You can learn more through our newsletter on our website or at The Pine Mountain Music Festival. We are particularly looking to expand our Board of Trustees and I would love to chat with you if you would like to learn more about being a Board member.

Finally, I want to express my appreciation for all of our donors. Without donors we could not possibly put on a festival. So thank you to all of our donors who have made a donation to our festival this year. It is particularly grateful for two large gifts we received this year. These will allow us to continue to support our orchestra and to those of you who paid extra for your tickets this year. The Board could not possibly put on a festival. So thank you to each of you who have made a donation this year.

We are already hard at work planning next season! We encourage our audience members to purchase tickets at a level comfortable for them. Ticket revenue alone doesn't cover what it costs to pay our artists, produce the festival, and prepare and staff for each production but we believe that access to the arts is a foundational human right. We encourage patrons to select a tier in line with their means. All are welcome to select the more expensive tiers and ALL are welcome and encouraged to attend Pine Mountain Music Festival productions!
